

## 2012 NEW PRODUCTS

### RIMFIRE RIFLE

---

#### CCI® Quiet-22™ .22 Long Rifle

Set your 22-caliber LR rifle to stealth mode with the new CCI® Quiet-22™ rimfire round. Ideal for bolt-action and single shot .22 LR rifles (and perfectly safe in semi-automatics), this new reduced report cartridge generates ¼ the perceived noise level of standard velocity .22 LR round. Perfect for areas where noise may be a problem and ideal for introducing youth to the shooting sports, the Quiet-22 allows for safe shooting enjoyment without hearing protection.

#### Features & Benefits

- Ultra-quiet plinking round in 22-caliber LR rifles
- 75% reduction in perceived noise of standard velocity .22 LR
- Standard CCI .22 LR case
- Excellent accuracy and low velocity (710 feet per second)
- Better performance than an air rifle with similar noise levels
- No hearing protection required
- Great for backyard plinking and youth shooting
- Ideal for legal shooting areas where noise may be a concern

#### Part No.

0960
