Buck Commander™ 8x28mm 1,000-Yard Laser Rangefinder
Designed by Weaver® engineers with input from Willie Robertson and the Buck Commander crew, Weaver's new 8x28mm 1,000-yard laser rangefinder gives you accurate, reliable and user-friendly performance in the field. It operates on one standard CR2 battery, is IPX3 waterproof, ranges moving targets (in scan mode) and measures distance in feet, yards or meters: Able to range deer-sized animals out to 600 yards and reflective targets to 1000 yards. Know your distance. Gain Confidence. Take your shot.

Features & Benefits

- Powerful 8x magnification for long distance ranging
- Multi-coated lenses for bright, clear images
- IPX3 waterproof
- Horizontal design for steady viewing
- Handheld, compact design with adjustable diopter for focusing
- Low battery indicator and auto time out for enhanced battery life
- Scan mode allows for ranging of moving targets
- Measures distance in feet, yards or meters

PACKS AND POUCHES

20-Round Cartridge Pouch

Keep your ammunition close at hand with the new Buck Commander 20-Round Cartridge Pouch. Available in standard and magnum options, each pouch holds 20 of your favorite game-dropping loads and keeps those rounds safe, secure and protected from the environment. Easily attaches to M.O.L.L.E. webbing using the provided S.T.R.I.K.E. Speed Clips™, or mounts directly on your belt with the rugged 2-inch belt loop webbing. S.T.R.I.K.E.® Speed Clips™ are supplied by BLACKHAWK!® tactical products.

Features & Benefits

- Soft polyester material for stealthily quiet usage
- Tough elastic loops secure cartridges reducing noise
- Exterior zippered pocket is large enough to hold additional items
- Heavy binding seams with two rows of locked stitching for added durability
- Mounts to the outside of your pack with designed protection from the elements
- Includes two S.T.R.I.K.E. Speed Clips per pouch
