SPECIALTY KITS

Compact Handgun Cleaning Kits

These all-in-one compact, convenient kits are perfect for on-the-go shooters. They're small enough to transport and store anywhere, such as inside a handgun case or gear bag. All the accessory components fit inside the handle's storage cavity and the strong twist-on cap keeps cleaning brushes and accessories safe from being lost. Outers offers a universal model that cleans multiple calibers, and four other caliber-specific models.

Features & Benefits

- Cleans handgun barrel lengths up to 8-3/8-inches
- Cleaning rod spins to follow rifling grooves inside of bore
- Telescoping, extendable rod, brushes and other rod tips fit inside handle
- One-piece, solid brass rod with high-quality brushes, tips and other accessories
- Extra room inside handle to store cleaning patches and other necessities
- Provides fast, convenient cleaning at home, on the range or in the field
